Professor Shenggen Fan
Dean of Academy of Global Food Economics and Policy
China Agricultural University, Beijing 100083, China

Dear Professor Shenggen Fan,

Greetings from the International Food Policy Research Institute (IFPRI) in Washington, DC.

We would like to invite you to IFPRI's headquarters on May 23 – 30, 2024. During this time, we look forward to reviewing progress and developments in activities funded by the National Natural Science Foundation of China (NSFC) and continuing our discussions regarding increasing collaboration between IFPRI and NSFC.

We remain interesting in exploring exciting partnership opportunities that could prove mutually beneficial to IFPRI, NSFC, and partners of the NSFC, including China Agricultural University in Beijing.

IFPRI will be happy to host you with an office during your stay and it is our understanding that all travel-related expenses will be covered by the NSFC-funded project in which you are involved.

We look forward to seeing you soon.

Sincerely,
