

**Dr. LAPING WU**

Professor, College of Economics and Management  
China Agricultural University  
No.17, Qinghua East Road, Haidian District,  
Beijing, 100083, China  
(86 10) 6273-8573 [Office and Fax]  
[wulp@cau.edu.cn](mailto:wulp@cau.edu.cn)

**Fields of Interest**

Agricultural Market and Policy, Food Demand,  
International Trade, WTO Issue

**Education**

Ph. D Agricultural Marketing and Policy, China Agri. Univ. and Winrock International, 1999  
M.A. Agricultural Economics and Management, China Agricultural University, 1995  
B. S. Agricultural Economics and Management, Shanxi Agricultural University, 1992

**Positions Held**

5/1995-present Assistant professor, Associate professor and Professor,  
College of Economics and Management, China Agricultural University  
6/2002-3/2003 Visiting Research Fellow, Center for Far Eastern Study, Toyama  
University, Japan  
4/2001-5/2001 Visiting Research Fellow, National Center for Development Study,  
Australian National University, Australia

**Honors and Awards**

Excellent Individual Performance Award in in Livestock Industry, 2012, China Animal  
Agriculture Association  
New Century Excellent Talents in University, 2012, Ministry of Education  
Excellent Instructor of National University Students' Innovative Pilot Scheme, 2010, CAU  
National Business Development Award, 2010, Ministry of Commerce  
Monograph *Study on Chinese Agricultural Product Behavior*, Nomination of the Second  
China Agricultural Development Research Award, 2006, China Agricultural

Development Research Association

National Commercial Science and Technological Progress Prize, 2003, China General Chamber of Commerce

The Excellent Academic Program Award, 2003, the National Nature Science Foundation

Excellent Researcher Award, 2002, China Agricultural University

Best Prize of National Social Science Research Award, 2000, International Academic & Literature Center

Excellent Teaching Award, 2013, China Agricultural University (CAU)

Ten Best Teachers Award (Student Union, CAU), (2008, 2009)

Ten Distinguished Teacher Award (2003, 2009), CAU

Best Teaching Performance Award (1999, 2000, 2001, 2002), CAU

Excellent Teacher Award, 2001, CAU

Research Award for Advanced Macroeconomics Teaching, 2012, CAU

Teaching Research Award, 2005, CAU

Excellent Undergraduate Students Academic Adviser (2006, 2011), CAU

Ten Best Class Supervising Award, 2010, CAU

Excellent Class Supervising Award (2002, 2003, 2009, 2010), CAU

### **Professional Affiliations**

Associate editor of China Agricultural Economic Review (SSCI & SCIE), 2008-current

Guest Research Fellow of Center for Far Eastern Study, Toyama University, Japan, 2002-current

Guest professor of University of International Business and Economics, China, 2010-current

Committee of

Expert of Chinese State Information Center, 2010.04-current

Expert, Chinese Grain Law Drafting Group, 2010-current

Consultant, China Development Bank, 2010-2012

### **Teaching Experience**

Advanced Macroeconomics (Ph.D)

Economic Thought (Ph.D)

Macroeconomics (MBA)

International Trade (Undergraduate)

**Grants and Fellowship****Grain Economy Area**

1. Chinese Grain Demand-Urbanization perspective, Ministry of Education, 01-12/2013
2. Farmers' Grain Storage Behavior, Ministry of Education, 2012.01 -2014.12
3. Food Security Strategy of China in New Period, Ministry of Commerce of China, 2012.05 -2013.03
4. Rice Trade Regulation of Japan and implications for China, Ministry of Commerce of China, 2012.03-2012.12
5. Food Security Policies of WTO Major Members and its Consistency with WTO Regulations, Ministry of Commerce of China, 2011.05-2011.12
6. The Implementation and Implications of Liberating Grain Market Reform, Soft Science Committee of MOA of China, 01/2004-08/2004
7. Feed Grain Marketing and Trade among China, Japan and U.S.,04/2002-12/2003
8. Chinese Grain Market Policy with Special Emphasis on the Domestic Grain Trade (Sino-Australia project, ANRE2/1997/021), 01/1998-06/2001, ACIAR of Australia and Australian National University,
9. Chinese Seed Industry Development, Minister Foundation of MOA of China, 01/1997-12/1997
10. Chinese Feed Industry Development, Softy Science Committee of MOA of China,01/1996-12/1997

**Market and Trade**

1. Chinese Duck Market and Consumers' Preferences on Food Safety and Quality in Food Service Sector, collaborate with Purdue University, 2012.09-2014.08
2. Farmer's Production Decision and its Impacts on Agricultural Market Fluctuation, Ministry of Agriculture of China, 2012. 01-2013.12
3. Trade Facilitation and Poverty Reduction – Case Study on China and ASEAN countries, International Poverty Reduction Center of China and UN ESCAP, 2012.05 -2012.12.
4. Trade Liberalization and Poverty Reduction – Case Study on China and ASEAN countries, International Poverty Reduction Center of China, 04/2010-09/2010
5. Prosperity Index of Chinese Agricultural Product Market, National Development and Reform Commission etc., 01/2010-12/2012
6. Rural Supermarket Development and its Impacts on Rural Household Consumption, Ministry of Education,01/2009-12/2012
7. Agricultural Market Information Collection and Analysis, Information Center, Ministry of Agriculture of China, 08/2009-12/2009

8. Monitoring and Forecasting of Chinese Major Agricultural Product Markets, Chinese State Information Center, 02/2009-06/2009
9. Special Safeguard Mechanism (SSM) and its Implications for Chinese Agricultural Trade, Department of WTO, Ministry of Commerce of China, 07/2009-11/2009
10. Demand for Tropical Fruit, FOA, 2009.06-2009.11
11. Trade Barriers of Chinese Poultry Meat, Vegetable and Fruit Export and Countermeasures, Department of WTO Affairs, Ministry of Commerce of China, 08/2008-12/2008
12. Development of Supermarkets in Rural Area and its Determinants, Research Center of Rural Economy, Ministry of Agriculture of China, 09/2007-09/2008
13. Price Formation, Quality Control and Marketing of Agricultural Product in Supermarkets, National Natural Science Foundation Committee, 01/2007-12/2009
14. The Implications of FTA on Chinese Agriculture, National Philosophy and Social Science Foundation, 06/2007-12/2008
15. Blue Box Policies and its Effects on Agricultural Subsidy and Trade, Chinese and Canadian Government Program- Small Farmers Adapting to Global Market, 06/2006-08/2008
16. Stimulating Farmers' Consumption Demand, Soft Science Committee of MOA of China, 04/2006-12/2006
17. Establishing Modern Agricultural Marketing and Trade System, the Planning Department of MOA of China, 10/2003-06/2004
18. Integration between Chinese and world Main Agricultural product Markets, Chinese National Natural Science Foundation, 01/2001-12/2003
19. Price Linkage between Chinese and World Main Food Markets, Public Policy Program (06/1999-06/2000), Ford Foundation,
20. Grain Market Integration and Marketing Margin in China, Public Policy Program (06/2000-10/2001), Ford Foundation,
21. Integration of Major Agricultural Product Markets: Price Behavior, Comparison and Policy Implications, China's National Social Science Foundation, 01/1999-12/2001
22. Main Food Markets Integration in China, Winrock International and Ford Foundation, 06/1998-02/1999
23. Prices Analysis of Main Agricultural Products In China: Monitoring and Outlook, Soft Science Committee of the Ministry of Agriculture, 12/1994-12/1999

### **Animal Economy and others**

1. Chinese Agricultural Research System (CARS)- the rabbit industry development and policy research, Ministry of Agriculture, Ministry of Finance, 01/2011-12/2015

2. The Strategy of Beijing Agricultural Product Processing Industry, Beijing National Natural Science Foundation, 12/2006-03/2007
3. Modeling Material Flows and Production Systems for Sustainable Resource Use in Intensified Crop Production in the North China Plain, DFG of Germany & Chinese Ministry of Education, 05/2004-10/2008

### Monographs published

1. *Trade Liberalization and Poverty Reduction – Case Study on China and ASEAN countries*, China Agriculture Press, Beijing, Nov. 11, 2011.
2. *Chinese Agricultural Product Market Behavior*, China Agriculture Press, Beijing, October, 2002.
3. *Study on the Integration of Agricultural Product Markets*, China Agriculture Press, Beijing, November, 2000.

### Books Published

1. *Selected Cases of Macroeconomics*, China Renmin University Press, Beijing, March, 2013.
2. *Development Report of Chinese Rabbit Industry (1985-2010)*, China Agriculture Press, Beijing, Sept., 2013.
3. *Prosperity Index of Chinese Agricultural Product Market: Theory and Application*, with Xingwang Zhang etc., China Agriculture Press, Beijing, July, 2013.
4. *Understanding the 2012 No.1 Document*, China Agriculture Press, Beijing, April, 2012.
5. *The Concise Reading Book of Chinese Agricultural Policy*, China Agriculture Press, Beijing, Oct., 2011.
6. *Questions and Answer of Chinese Rural Subsidy Policy*, China Agriculture Press, Beijing, March, 2009.
7. *Study on the Development Strategy of Beijing Agricultural Product Processing Industry* (with Baode Du etc.), China Agriculture Press, Beijing, September, 2007.
8. *Analysis on Main Agricultural production Materials Market* (with Xiangyong Tan, etc.), China Agriculture Press, Beijing, December, 2006.
9. *Reading Book of Construction of Rural Saving Society* (with Fuzhong Li, etc.), China Agriculture University Press, Beijing, May, 2008.
10. *International Trade in Agricultural Product* (with Weiming Tian), China Agriculture University Press, Beijing, February, 2005.
11. *Microeconomics* (with Guangsheng Zhang, etc.), China Agriculture University Press, Beijing, January, 2004.
12. *Production Management of Medium and Small Enterprise* (with Dongjun Zhang), China Agriculture Press, Beijing, October, 2002.

13. *Agricultural Economics* (with Xiangyong Tan, etc), Shanxi Economic Press, Taiyuan, July, 2005.
14. *Agricultural Product Trade and Practice* (with Jingsheng Lai, etc.), China Agriculture Press, Beijing, September, 2002.
